

# ARTWORK SPECIFICATIONS

- **Software formats required**
  - Corel Draw 17 version
  - Adobe Illustrator CS5.5
- **Fonts**
  - Include ALL FONTS used in the present file
  - If available, save a file with “**fonts converted to outlines/convert-to-curve**”.
- **Links**
  - Linked files – make sure that you’ve included all them in a “Links” folder.
- **Colour**
  - Please make sure **ALL BLACK IS 100% BLACK**, not a combination of CMYK/RGB.
  - **Change all RGB to CMYK.**
  - All photos and graphics need to be at least 300 dpi
  - Do not save images or graphics from a website. They are usually very low resolution.
- Sample digital prints & final prints have differences in colour schemes, paper texture and overall appearance.
